## Unrivaled feel and function.

LUSH features tufted floor coverings handmade by Indian artisans with yarns that are specially blended and dyed for the Liora Manné design house. Colors are hand-picked and patterns are customized for each unique client. Explore the existing design library or work with our in-house design studio, customize any idea using rich colors, vivid patterns, intriguing textures, and endless inspiration.

The custom carpets of LUSH add sophistication and charm to high-traffic residential and commercial settings such as hotels, restaurants, universities, corporate offices, and museums. Durable and beautiful, they are meant to make a statement - and to last. LUSH designs reside in a variety of well-known spaces such as Rutgers University, New Haven Public Library, Blackstone Marriott Solana Hotel, and many exquisite family homes.
