WARRANTY	Liora Manné rugs will maintain their texture and appearance if maintained properly (see cleaning instructions.) This does not cover abnormal wear or appearance due to abusive treatment, chemical exposure, repeated mechanical traffic, or abusive abrasion. Liora Manné will cover wear properties of the material as manufactured. If the material does exhibit a defect according to the manufacturing test standards and minimum specifications, our liability is to repair or replace the material. Labor charges and other consequential expenses are not included.

care & cleaning instructions for tufted rugs

	100% WOOL	50% WOOL / 50% VISCOSE	100% VISCOSE
ROUTINE CARE	Use a commercial grade upright vacuum without a beater bar.	Vacuum without a beater bar. Suction should be reduced to the minimum amount needed to remove the dust and dirt buildup.	Vacuum without a beater bar. Suction should be reduced to the minimum amount needed to remove the dust and dirt buildup.
STAIN REMOVAL	<p>Treat stains immediately for best results. Remove any solids with a spoon and blot up any excess liquid with a colorless cloth.</p> <p>Pre-treat a hidden area with the cleaner before treating the stain.</p> <p>Blot the stain, beginning with the outside and working towards the center. Do not scrub.</p> <p>Do not walk on the carpet until it is completely dry. Walking on the carpet while it is wet may distort the fibers.</p>	<p>Treat stains immediately for best results. DEEP CLEANING	<p>Professional cleaning is recommended.</p> <p>Periodically use hot water extraction, dry foam with extraction, or dry extraction for deeper cleaning. Do not use spin bonnets, rotary brushes, or rotary extractors, as they may distort the pile.</p> <p>When using a wet cleaning method, do not saturate the carpet too much. Allow adequate time for the carpet to dry before resuming use.</p>	Due to the nature of viscose fiber, professional cleaning is recommended.	Due to the nature of viscose fiber, professional cleaning is recommended.
