Custom Collection

LUSH by *liora manné*

LUSH — a custom collection of hand made tufted floor coverings from Liora Manné made by Indian artisans.

LUSH is about colors, dimensions, textures and great designs.

We spin, blend and twist yarns.

We dye, over-dye, space dye and Y-dye our yarns.

Our designs are organic, modern, traditional, painterly, tribal, fun, bold or soft.

Select from our bottomless library of designs or create your own custom designs.

Made in India with wool, silk, and viscose.

For hospitality, commercial, and residential use.
