ASTRID

Introducing Astrid - Liora Manné's latest expansion of the REvolution Collection. With the addition of REcycled apparel fibers, this cosmic textile offers both style and sustainability. Astrid features an array of 30 vibrant colorways, which can be used as rugs, wall or ceiling covering, or upholstery fabric. As a reflection of our commitment to sustainable design, Astrid promotes an eco-friendly environment with endless possibilities.

ASTRID NET

Introducing Astrid Net — a striking new interpretation of our sustainable Astrid Collection. Crafted with recycled apparel fibers, Astrid Net layers an open, tactile grid over its tonal base, creating a dimensional surface that blends structure with artistry. Designed for rugs, wall and ceiling coverings, or upholstery, Astrid Net offers a modern take on eco-conscious design.
