

WHAT IS LUSH

Liora Manné's LUSH collection embraces traditional methods to create hand-tufted rugs from New Zealand wool, silk, nylon or viscose. Our vast pattern library utilizes cut, loop and tip-shear techniques for intriguing textures. The LUSH line adds sophistication and charm to high-traffic residential and commercial settings. Durable and eye-catching, these rugs are meant to make a statement as functional art.

THE FACTS

- Construction: fine hand-tufted
- Pile content: 100% NZ wool; Silk; Nylon; Viscose
(NZ/European blended wool also available)
- Texture: cut or loop pile; tip-shear
- Pile height: 13mm / 9mm / 6mm (ADA compliant)
- Serged edging

THE PROCESS

DESIGN

Our design studio provides CADs and color charts with physical yarn samples for any customization prior to order placement.

CUSTOMIZATION

Fully customizable - including design, color, shape - at no additional charge

COLOR

We work with standard ARS poms and match to Pantones, paint chips or fabric swatches.

CUSTOM SAMPLES

Samples of custom designs are available upon request for a fee (3-week lead time).
